CLASS DETAILS

Where: Cahaba River WRF in Hoover, AL

When: Wednesdays from 9 a.m. to 3 p.m.

Cost: \$250

Students enrolled in classes will receive traditional
lecture training, plus hands-on training.

Jeremy Creel,
Grade IV Operator,
will instruct all classes.

Homework assignments
and practice materials
will be given to better
prepare all trainees
for the real exam.

All study materials
will be provided.

For registration or additional information, email **Jeremy Creel** (creelj@jccal.org) or
Wes Cardwell (rwcardwell@garverusa.com).
